

AEON RAVEN DMX Y-SPLITTER

PRODUCT DESCRIPTION:

AEON RAVEN's DMX Y-SPLITTER is a 3-pin DMX repeater with one DMX Input and 2 DMX Outputs. It utilizes optical isolators and isolated power supplies to provide complete isolation from the Input to the Outputs and from one Output to the other Output. LED indicators for power and data outputs.

IMPLEMENTATION:

Use the DMX Y-SPLITTER wherever you need to expand your DMX network.

Manufacturer limited warranty: AEON RAVEN warrants that the product will be free of manufacturing defects in material and workmanship for a period of 30 days from the date of purchase. The warranty is limited in that it only covers the repair or replacement of the product. AEON RAVEN under no circumstance will be liable for any loss or damage arising from the use or inability to use this product.
